

REMINDER:
Our offices will be closed **April 2nd**
in observance of Good Friday and
April 30th for our end of the month
Administrative work day.

Granbury Housing Authority Newsletter *April 2021*

From the Executive Director, Julia Richardson

The annual re-examination of rent, household composition and eligibility for continued occupancy is currently underway in preparation for lease renewals occurring in July.

We will be utilizing the EIV system for verification of Social Security and SSI for all fixed income residents if you have not already provided your award letter. All elderly and disabled residents having out of pocket medical expenses should submit their documentation no later than **May 15th**.

The EIV system also provides information on past earned income from wages. In order to verify anticipated income, we need updated information such as current salary and anticipated hours therefore a recent paycheck stub is requested.

You will receive a separate more detailed notice of required information.

The Quarterly Resident Meeting will be held **Friday, April 16th at 2pm**. Be sure to attend this informative meeting to receive updates on the scheduled renovations, answer any questions you might have and provide input about interior improvements. We will also discuss staffing changes and opportunities for growth with the Granbury Housing Authority.

GHA would like to welcome **Ryan Campbell and Emanuel Cornicius** to the Maintenance Staff. These gentlemen will be training under Larry and Jared to assist with resident work orders and the upkeep of the property.
